

ABSTRACT

Z, Adek Adhiyati. (2019). *Using Werewolf Game to Teach Speaking to Senior High School Students*. Paper. Jurusan Bahasa dan Sastra Inggris, Fakultas Bahasa dan Seni, Universitas Negeri Padang.

This paper discusses on how to use Werewolf game to teach speaking to Senior High School Students. Based on the background of this paper, teachers are difficult to find a fun and effective technique in teaching speaking. Werewolf game is a fun, critical, effective and creative game where the learners have to voice their arguments and opinions through discussion activity. The learners will get used to using English without realized that they are in teaching learning process through this game. Before playing this game, the teachers have to explain how to run the game or give example using video. This game uses cards as media that contain the roles of each player. When the learners are playing Werewolf game, they have to voice their opinions and arguments to win the game. In conclusion, this game can help teachers to teach the learners in teaching speaking in English.

Key words: *Speaking, Discussion, Werewolf Game.*
