ABSTRACT

Josep 2021 "Evaluation of the Kerinci Regency's Football Performance Coaching Program at the Governor's Cup event". Thesis. Sport Education Study Program (S2) Faculty of Sport Science, Padang State University.

Based on the observations of the Pre-survey, that the Kerinci Regency soccer sports achievement has not shown the best. This is suspected, because the coaching program provided to athletes is not running optimally, so the achievements of Kerinci Regency football athletes at the Governor's Cup event have not been as expected. The purpose of this study was to evaluate the Kerinci Regency football athlete coaching program at the Governor Cup event.

This study uses a qualitative approach with qualitative descriptive data collection, by describing the activities that take place in the field in a focused and complex manner. Which describes the entire Kerinci District Football coaching program at the Governor Cup event, including the CIPPO method (Context, Input, Process, Product, Outcome). Data obtained through observation, interviews and documentation.

The research findings indicate that the Kerinci Regency football coaching program at the Governor's Cup event is viewed from the point of view. (1). The context is that the coaching program is in accordance with the objectives and relevance, namely the purpose of the coaching program is to achieve achievements. (2) The input that the document in written form for the planning of the Kerinci Regency football athletes' training at the Governor's Cup event is still unclear. (3) The process that good coach preparation will support the athlete's achievement, but in writing the training program is still not clear. (4) The product that there is an increase in achievement, and there is also a change in the attitude and insight of athletes during the Kerinci Regency soccer athlete coaching program at the Governor Cup event, it can be seen in the athlete, namely the attitude of mutual respect for friends and respect for opponents, athletes are also sporty in the game and competition. (5) Outcome The coach must prepare a written training program, prepare talent scouting, select athletes and provide a continuous training program.
