

## ABSTRACT

**ALFIAN JAMRAH.** 2020. Development of a Character Learning Model of Local Wisdom Values "*Tau Jalan Nan Ampek*" at Senior High School in Batusangkar City. Dissertation. Post Graduate Program of Universitas Negeri Padang.

This study aims to find out how the implementation of character education models, design appropriate character education models and can be used to Senior High School and to determine effectiveness the implementation of character education models in shaping character of students in high school in Batusangkar City. This type of research is RnD research using ADDIE development models, namely analyze, design, development, implementation, and evaluation. The data collection instruments are in the form of observation sheets and questionnaires. The product was validated by an expert and tested on high school students in Batusangkar City. Quantitative data were obtained through a questionnaire. Qualitative data were obtained through observations, responses, and suggestions in the form of improvements given in writing. The practicality of the character learning model of local wisdom values "*Tau Jalan Nan Ampek*" is determined based on the response of experts, teachers, and students to the practicality of this model, and the effectiveness of this model is determined from the results of an extended trial. Data validity and practicality were analyzed using the formula of the Total Achievements of Respondents, and effectiveness was analyzed using an experimental t-test. The results of this study obtained a character model of learning "*Tau Jalan Nan Ampek*" by producing products in the form of model books, teacher books, and student books. The findings in this study can be used by teachers and students in improving local wisdom-based characters, namely "*Tau Jalan Nan Ampek*".

## ABSTRAK

**ALFIAN JAMRAH.** 2020. Pengembangan Model Pembelajaran Karakter Nilai-Nilai Kearifan Lokal "*Tau Jalan Nan Ampek*" Di Sekolah Menengah Tingkat Atas Kota Batusangkar. Disertasi. Program Pascasarjana Universitas Negeri Padang.

Tujuan didalam penelitian ini yaitu mengetahui bagaimana pelaksanaan pendidikan karakter yang telah dilaksanakan di sekolah menengah tingkat atas Kota Batusangkar. Merancang model pendidikan karakter yang tepat dan dapat diterapkan bagi peserta didik di sekolah menengah tingkat atas dan untuk mengetahui efektifitas dalam membantu mengurangi permasalahan karakter pesertadidik. Jenis penelitian ini adalah penelitian *RnD* dengan menggunakan model pengembangan *ADDIE*, yaitu *analyze, design, development, implementation, dan evaluation*. Alat pengumpul data berupa angket, lembar observasi, dan pedoman wawancara. Produk divalidasi oleh pakar dan diujicobakan pada peserta didik SMTA di Kota Batusangkar. Data kuantitatif diperoleh melalui angket kualitatif data diperoleh melalui observasi, wawancara, dan berupa perbaikan diberikan secara tertulis. *Praktikalitas* model pembelajaran karakter nilai-nilai kearifan lokal "*Tau Jalan Nan Ampek*" ditentukan berdasarkan respon ahli, guru dan peserta didik terhadap kepraktisan model ini. Dan *efektivitas* model ini ditentukan dari hasil uji coba yang diperluas. Data *validitas* dan *praktikalitas* dianalisis menggunakan formula Total Capaian Responden (TCR), serta *efektivitas* dianalisis menggunakan *uji-t eksperimen*. Dari hasil penelitian ini diperoleh suatu model pembelajaran karakter "*Tau Jalan Nan Ampek*" dengan menghasilkan produk berupa Buku Model, Buku Guru dan Buku Siswa. Temuan dalam penelitian ini dapat dimanfaatkan oleh guru dan peserta didik dalam meningkatkan karakter berbasis kearifan lokal yaitu "*Tau Jalan Nan Ampek*".
